MERCURY'S MAJOR -- one of the many Thorne champion bulls that left his mark on Kansas herds.

Buyers from a distance, will find many fine hotels and motels in the Effingham area. The sale will start promptly at 12:30 p.m. and the auction barn Cafe will be open. Dr. Watson of the Atchison, Kansas Animal Clinic has been in charge of this herd for the past several years and health papers will be furnished so that cattle can leave immediately from this sale and go into any state or territory.

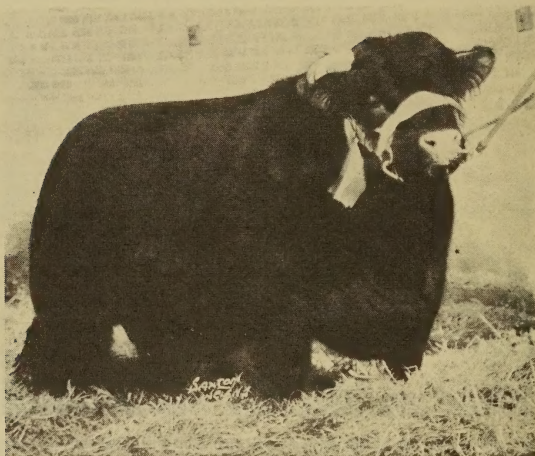

The Sale Manager's comments:

I have personally been acquainted with the Thorne herd in northeastern Kansas for the past 22 years and it is safe to say that this has always been one of the most respected and highly regarded breeding herds in the entire middlewest. William Thorne was a master breeder and since his death, his wife, Rosa B. Thorne, has done a remarkable job of carrying the herd forward and actually, increasing it in size. In order to cut down on her responsibilities, she is retaining only the young heifers calved since 1961 and is selling both the present fine pair of herd bulls and all of the dams of the many Thorne champions and top sellers that Kansas sales have seen in recent years.

Many top cattlemen from over a wide area will tell you that the Thorne bulls they have used have consistently done a great job for them.

VON BER MAR MASTERSTROKE - This is the first son of Glamis Masterstroke by the noted Kair Masterkey, the 1956 Perth reserve supreme champion that sold for \$16,800. Kair Masterkey sired the 1958, 1959 Perth reserve best group of three and five bulls and the '59 Perth reserve best pair of females. He also sired the cows that produced the 1961 Supreme champion and reserve supreme champion bulls as well as the 1962 Perth supreme champion bull, Glamis Benefactor, now owned by Louada Farms in Canada. The dam of Von Ber Mar Masterstroke is out of a daughter of the champion female of the 1956 Iowa Royal and is a granddaughter of the noted Calrossie Armada. Von Ber Mar Masterstroke was purchased in 1962 and the 1963 calf crop here at the Thorne Farm is the first by him, but we like his stock, heavy-boned, good-legged well-made sons and daughters.

HELP YOURSELF TO 40 YEARS OF PROGRESS!

Bill Thorne started this herd in 1923 and no one will deny that he bought the best bulls available. There was Divide Olympic by Duke of Killearn; Sni-A-Bar Random Mercury by Edellyn Campeon Mercury and this is the bull that produced the \$10,000 Mercury's Jasper 2d. This bull was out of Gwendoline Myrtle 2d by Divide Olympic and there is at least a dozen members of this same Myrtle family, selling. Another of the real good bulls was Sultan Clansman by the International Grand champion, Sultan Browndale.

MAKE YOUR SELECTIONS

Here's quality enough to make any trip worthwhile -- quantity enough to insure bargains. Remember, everything sells T.B. and Bangs tested and fully guaranteed. Mrs. Thorne or her brother, Warren Beese will be glad to show you the cattle any time prior to the sale, at the farm located $1\frac{1}{2}$ miles south, $\frac{1}{2}$ mile east and $\frac{1}{2}$ mile south of Lancaster, Kansas.
